

Description

A detailed 3D rendering of a brass check valve with a red handwheel. The valve is shown from a three-quarter perspective, highlighting its flanged ends and the internal check mechanism. The handwheel is a bright red, four-lobed design. The brass body has a polished, golden-brown finish. The internal components, including the check disc and spring, are visible through a transparent section of the valve body. The valve is set against a plain white background.

Material Body	Copper Alloy
Material Sealing Parts	Copper Alloy
Execution	Without Spring
Actuation	Handwheel
Pressure rating	PN16
Connection	PN16
Size	DN80
Standard	DIN
Connection standard	EN 1092
Item number	150-00000256
Item ID	410-2298
Model number	457432
